### Goal for IQ as a WGD Ambassador Genius of the Year:

To try my best to contribute to the High IQ Community in all the possible ways, and expanding it's network around our Earthly globe. My other goals would be creating new IQ tests, to continue working in the high IQ community, and work constantly making it a better place for intellectuals to discuss various ideas for development of intelligence in the world, supporting the role and work of the WGD.

### Organisations/Memberships:

Nitish is Founder/President of the STAR Intellects High IQ Society and Indian High IQ Society! Mr Joshi belongs to over 60 high IQ societies, including: The World Genius Directory, GENIUS/GIFTED High IQ Networks, THIS High IQ Society, 4G High IQ Society, BRAIN High IQ Society, 6G High IQ Society, 6N High IQ Society, NOUS High IQ Society, NOUS200 High IQ Society, Leviathan High IQ Society, Synaptiq High IQ Society, Global High IQ Society, ELITE High IQ Society, American High IQ Society, Canadian High IQ Society, Torr High IQ Society, Society of Intelligent Personalities, AtlantIQ High IQ Society, Psychic Society of Intuitives, Catholiq High IQ Society, GAMMA Society, Romanian High IQ Society, HRIQ High IQ Society, Synapse High IQ Network, Bright Society, Above Horizon High IQ Society, Nebula High IQ Society, Myriad High IQ Society, Sidis & VeNuS High IQ Societies, &c.

### Occupation/Professional Goals:

I am currently a student. My professional goal is to become an entrepreneur, software engineer and music producer and performer. As a human one of my most important life goals is to bring a positive change in our world by serving 'the goodness of humanity' in all possible ways, making as many contributions as possible which would actually prove to be useful for the benefit of the mankind.

### Why work with IQ:

Being part of the High IQ world is one of the best things in my life! It gives me great opportunity to connect with very many talented and creative intellectuals from all around the world, with whom it's possible to discuss many great things, working together, for better.

### Statement for the World:

Always live your life to the fullest. Keep following your dreams, and don't let anyone or anything stop you from achieving it. Always be kind and helpful to the every living thing that exists in this world without expecting anything in return. Everyone is unique and a genius in their own ways, so stop worrying about what others think - or do - and start exploring yourself to find that hidden genius inside you. Always stay positive. And try to expand your imagination, because:

### Favourite Quotation:

"Imagination is more important than knowledge. For knowledge is limited, whereas imagination embraces the entire world, stimulating progress, giving birth to evolution." - Albert Einstein
