

The Alchemix High Range IQ Test by Dr Jason Betts

See the Score and Norming Data File at www.psiq.org/lux for the submission instructions and guidelines. The use of the internet and all reference materials is recommended to research all terms not fully understood. Find the answer that is simple, obvious, satisfies the greatest number of clues and has the simplest complexity.

The theme of this test is alchemy and is, fittingly, transmogrified from my very first IQ test, the Lux Mystica: Egypt, alchemy, geometry, elements, astrology, qabala, philosophy and God-knows-what, if you get my drift.

As the First term is to the Second, so the Third term is to the Fourth
